Business from the Minutes

6. John Wells has given his approval for a new street gutter adjacent to the car park and to the relocation of the driveway entrance. He will discuss our letter at a works and finance meeting next week. We have support from staff and some councilors.
7. Sandra tabled a report from Heritage Officer, Robin Graham, who met with Chris, Valda and Sandra re lowering earth levels at the front of the hall. Robin suggested 2 applications should go in to Council for funding of the project. Sandra will continue to work on this.
8. Chris has met with John Gough. The metal ramp extension has been made and will soon be installed. The extra hand- rail has not yet been made.
9. Sandra is pursuing quotes for conservation work as per Heritage Report.
10. Valda has purchased weather strip and has passed it on to Chris to install. Sandra has bought 'sausages' for side doors.
11. Michele has booked a contractor to dress floor in the second week of the school holidays.

Treasurer's Report

Debbie presented the Treasurer's Report. Closing balance \$22,479.68. See attached report.

General Business

12. Brad Slaughter from The Men's Shed will deliver an outdoor table with bench seats for the grounds on 15th June. He will need help to unload and install. He has not yet measured up for the seat around the spotted gum.
13. Chris will measure up ceiling to find how much material we will need to batten. He will get quotes on prices.
14. Chris suggested cover strips above picture rail be repaired as necessary. New hooks should be installed in appropriate places to assist in hall decorating. The meeting agreed it can happen when we are ready to paint the ceiling.
15. Kate suggested buying two garbage bins for market days. Debbie will buy same and get bin liners as well. Kate also suggested winter markets extend time of operation until 2.30 pm.

Meeting closed 9.30 pm. Next meeting Wednesday 4 July 7.30 pm.
