**Please contact us if you have any  
matters to raise between meetings.**

We have an 'email discussion group' hosted by yahoo.com. As well as Community Forum minutes and notices, members send quite a few messages around about events in the village. To subscribe, send an email (no text needed) to

*Tomerong-subscribe@yahoogroups.com*

The Community Forum meets on the third Wednesday of every other month.

Meeting dates 2006–2007 are:

Wednesday 16 August 2006  
Wednesday 18 October  
Wednesday 20 December  
Wednesday 21 February 2007  
Wednesday 18 April  
Wednesday 20 June (AGM)

...all meetings at 7.15pm in the School of Arts Hall

Some matters arise urgently.

The Community Forum executive will deal with those as necessary.

Where something new arises and everyone needs the chance to express an opinion, we will call a special meeting.

**We will always seek, at meetings, to ensure that a fair representation of community views is developed. We do not wish to have a situation where a majority might deny voice to a minority... so any submissions we make to council will reflect breadth of opinion. Please also note that we each retain the right to express our own concerns on any matters directly – indeed, the Community Forum will encourage everyone to have their say.**

# Tomerong Community Forum 2006–2007

We are a forum where all residents and ratepayers can bring issues and concerns. We have a number of community groups in the village. The Community Forum does not seek to cut across the purposes of any of the other groups but to provide a core place where we can foster more community activity as well as support existing groups.
